Follow two simple steps to become a Summer Session 2014 student:

1. Admission: Become a UW-Rock County Student

   If you aren’t attending UW-Rock County during Spring Semester 2014, you must apply for admission for Summer Session 2014. Apply online at http://apply.wisconsin.edu. If you want to attend UW-Rock County for only the summer session, choose the category “visitor/guest” when applying online. You may then choose the appropriate sub-category, “special student.” You don’t have to pay an application fee or provide official transcripts from previous colleges for this category. Students seeking a degree at UW-Rock County who plan to attend beyond summer session should choose the “Apply On-line” option for undergraduate students. A non-refundable $44 application fee must accompany the application of prospective freshmen and transfer students who intend to continue in the fall. You must send official high school and college transcripts to UW-Rock County Student Affairs. We’ll notify you of the admission decision as soon as possible.

2. Registration: Pick the Classes You Want

   Current UW-Rock County students, register for classes online at www.uwc.edu/prism using your PRISM account or in person at the Student Affairs office beginning March 1. Open registration for new students begins March 1.

Need Help? Contact Student Services

Student Services can help with admission, registration, course selection, transfer planning and financial aid. Please call to schedule an appointment at (608) 758-6565, ext. 200, or stop by room 103 Hyatt Smith Hall.

Administrative Drop/Withdrawal Policy

When you register for classes, you financially commit to UW-Rock County. This means you owe full tuition and fees unless you completely withdraw using your PRISM account. Please see drop deadline dates with the course listings. You will not be administratively withdrawn for nonpayment. However, if you do not attend your first class and haven’t contacted your instructor(s) by e-mail, phone or mail, you may be dropped from the course(s) and must pay an administrative withdrawal fee of $50 per class. If other students want to take the course, you may not be able to get back into the course. If you stop attending a course, you need to officially drop the course, or you continue to owe tuition and fees. If you stop attending all courses, you need to officially withdraw from UW-Rock County at Student Affairs, or you continue to owe tuition and fees.

“Summer Only” special students will receive a registration form after their admission is processed. They may register in person or by mail beginning March 1.

Academic Advising/Transfer Information/Transcripts

If you were a UW-Rock County student Spring Semester 2014 or plan to enroll for Fall Semester 2014, you may want to set up an appointment with an advisor to discuss summer course selections by calling (608) 758-6565, ext. 200. If you are enrolled at another campus now, consult an admissions counselor or advisor at your college to determine which course(s) will fit your degree and major. You may want to review the course equivalency information found online at http://tis.uwsa.edu.

If you want to have a summer session transcript sent to one or more schools at the end of the summer term, place your order online at www.uwc.edu/transcripts.

Tuition and Fee Information

Tuition and fees are due on the first day of each session. There is a $50 late fee for late payment of tuition each session.

</tr>
</tbody>
</table>

Refunds

The fee refund schedule is posted before the list of course offerings for each summer session in this publication. The refund schedule is different for each session.

Audit Fees

The audit fee for students who register to audit a class only:

- Resident fee: $59.00
- Non-resident fee: $185.00
- Wisconsin residents 60 years or older: fee waived.

Financial Aid

Summer financial aid may be available on a limited basis to students who have completed their 2013-2014 FAFSA. Summer Aid applications will be available for students the first week in April. Check your campus e-mail for updates on deadlines. For more information, stop by Student Affairs.

Online Courses

UW Colleges Online offers a number of fully accredited courses entirely online that can supplement your summer schedule. For more information on these courses visit www.online.uwc.edu.

New! Some summer session courses are guaranteed to run — look for the ★ symbol. UW-Rock County reserves the right to close a class when enrollment reaches capacity and to cancel a class without this symbol if it has insufficient enrollment. Please register early to avoid disappointment.
Summer 2014
Course Schedule

This is the U for YOU!

3-week, 6-week and 7-week courses:
- High school students getting a jump on their college education
- Students at special schools or auditors
- Lifelong learners who take classes
- Students working toward an associate or bachelor's degree
- Students attending another college who for fall
- Students who applied and aren't registered
- New UW-Rock County students
- Current UW-Rock County students working

Directions to the UW-Rock County Campus

From the north: Take I-90 south to exit #177 Avalon Rd. (Hwy 11 West). Travel west on Avalon Rd., turn right (north) on Center Ave. (US 51) and left (west) on Kellogg Ave. Proceed west on Kellogg Ave. to campus.

From the south on US 51: Take US 51 to Kellogg Ave., turn left (west) and continue to campus.

From the south on I-90: Exit from I-90 at exit #177 Avalon Rd. (Hwy 11 West). Travel west on Avalon Rd., turn right on Center Ave. (US 51), and left (west) on Kellogg Ave. Proceed west on Kellogg Ave. to campus.

From the east on US 14/Hwy 11: Take business Hwy. 11 to 11/US14 across the river, turn left (south) on US 51, turn right (west) on Kellogg Ave. and continue to campus.

From the west on Hwy 11 bypass: Turn left (north) on South River Rd. after crossing the Rock River, follow right (east) onto Kellogg Ave. and enter campus on right.

Campus Policies

Nondiscrimination Statement: The University of Wisconsin Colleges does not discriminate on the basis of age, race, religion, creed, color, sex, sexual orientation, disability, national origin, marital status, arrest or conviction record, or veteran's status in employment or in admission to and treatment in its educational programs and activities as required by state and federal laws and regulations including Title IX and Sections 503 and 504 of the Rehabilitation Act of 1976. Inquiries concerning the application of AA/EEO procedures may be directed to the Human Resources/Affirmative Action Office, 780 Regent Street, Madison, Wisconsin 53715, (608) 262-2578.

Religious Holiday Accommodation: Students’ sincerely held religious beliefs shall be reasonably accommodated with respect to all examinations and other academic requirements. Students requiring religious accommodations must notify the instructor of a conflict within the first three weeks of class. Instructors are not obliged to schedule make-ups before the regularly scheduled requirements. Students who believe they have been treated unfairly may file complaints in accordance with the complaint and grievance procedures adopted pursuant to Chapters 6 and 9 of the UW Colleges Constitution.

Family Educational Rights and Privacy Act (FERPA): Students have the right to inspect and review most education records maintained about them by the University of Wisconsin Colleges and in many cases decide if a third person can obtain information from them. A student may challenge information in his/her records that he/she believes to be inaccurate, misleading or inappropriate. The University has adopted a policy statement implementing all provisions of the Act. A copy of this statement appears in the University of Wisconsin Colleges Catalog. The UW Colleges, in accordance with the Act, has designated the following as “directory information” that is available to anyone unless a student asks to have it withheld: name, address (including e-mail address), telephone number, date of birth, dates of attendance, part-time/full-time status, degrees and awards received, major field of study, participation in officially recognized activities and sports, and previous educational institution attended. If you choose to have directory information restricted, you should file the appropriate request form in the Office of Student Services. A student has the right to file complaints alleging University non-compliance with the Act with the federal agency that endorses the Act: The Family Educational Rights and Privacy Act Office, Department of Education, 330 Independence Avenue, SW, Washington D.C. 20201

Excess Credit Policy: Per UW Board of Regents Policy, students who have accumulated more than 165 credits may be subject to a tuition surcharge. Please contact the UW Colleges Registrar for more detail.
Small Classes (average size is 19 students), with plenty of one-on-one attention, make the transition to college less stressful.

The best start doesn’t come with a big price tag. **We offer the lowest tuition in the UW-System.**

Professors are approachable. In addition to being great teachers and scholars, they are known for going the extra mile to help students succeed during the critical first two years of college.

When you’re ready to move on, the **UW Guaranteed Transfer Program** ensures admission to the UW four-year campus of your choice including UW-Madison. Our students graduate at higher rates than students who transfer from technical or private colleges.

Our “**Engaging Students in the First Year**” program will help you learn what it takes to be successful in college and will connect you with resources and classmates during your first days on campus.

**A strong curriculum** provides a solid foundation for success in future academics and careers.

**Advisors are readily available** to help plan your class schedule, explain transfer options and examine career choices.

**Opportunities for involvement** in athletics, clubs and the arts are within your reach immediately so it is easy to meet people and fit in on campus.
## Course Schedule

### 6-Week Session

**May 27-July 3, 2014**

- **Tuition Payment Deadline**: May 27
- **Add Deadline**: May 30
- **Drop/Withdraw Deadline**: June 2
- **Refund Deadline**: 100%: June 2; 50%: June 9

Definition of function and sequence; linear and nonlinear functions and graphs including logarithmic and exponential functions; systems of linear equations and Gauss-Jordan method; theory of polynomial equations; conic sections and optional topics such as mathematical induction, matrix solution of linear systems and Cramer's rule. Prereq: A grade of C or better in MAT 105 or placement based on placement test score. MS

| MAT 113  | Trigonometry          | 2 cr.   | #1280  |
|          | MTh 1-3:40 p.m.       |         |        |
|          | Lecture AH11          |         |        |
|          | Zaidan                |         |        |

Trigonometric functions, their basic properties and graphs, identities, inverse trigonometric functions, solving trigonometric equations, solutions of triangles. Prereq: (a) a grade of C or better in MAT 110 (b) concurrent registration in MAT 110 or (c) placement based on placement test score. MS

| MAT 240  | Statistical Analysis  | 3 cr.   | #1282  |
|          | MWTh 4:30-7:30 p.m.   |         |        |
|          | Lecture W18           |         |        |
|          | Barr                  |         |        |

Elements of probability theory; collection and presentation of sample data; basic problems of statistical inference; applications, including quality control; regression; and hypothesis testing. Prereq: A grade of C or better in MAT 211, MAT 221, or equivalent. MS

Summer courses available. Contact Kaili Lee, BAAS coordinator at (608) 758-6565, ext 258 or kaili.lee@uwc.edu
### Course Schedule

**Course # | Course Description | Credits | PRISM#**
--- | --- | --- | ---
ENG 102 | Critical Writing, Reading & Research | 3 cr. | #1275

**MW 9 a.m.-12 p.m. Lecture A134 Pruitt**

A composition course focusing on researched academic writing that presents information, ideas, and arguments. Emphasis will be on the writing process, critical thinking, and critical reading. Prereq: A grade of C or better in ENG 101 Composition I or exemption through a sufficiently high placement assessment.

MAT 091 | Elementary Algebra | 4ND | #1271

**TTh 9 a.m.-1 p.m. Lecture A133 Davis**

Intended for students with little or no previous algebra. Topics include the real number system and operations with real numbers and algebraic expressions, linear equations and inequalities, polynomials, factoring, and introduction to quadratic equations.

MAT 105 | Introduction to College Algebra | 4 cr. | #1276

**TTh 9 a.m.-1 p.m. Lecture A134 Hein**

Emphasizes algebraic techniques with polynomials, fractional expressions, exponents and radicals, linear and quadratic equations, and inequalities. Introduction to functions, their graphs, and analytic geometry. Prereq: A grade of C or better in Elementary Algebra or placement based on placement test score. EL

MUS 278 | History of Rock & Roll | 3 cr. | #1272

**M 5-8 p.m. Lecture AH11 Mortensen**

A study of Rock and Roll with emphasis on the roots, origins and influential figures in the history of this cultural phenomenon. Includes recorded listening experiences. This is a hybrid course. The course will meet face-to-face and additional online work is also required during the semester FA/ES

PHI 241 | Ethics | 3 cr. | #1277

**TTh 12:40-3:45 p.m. Lecture HS06 Carlson**

Nature of moral problems and of ethical theory, varieties of moral skepticism, practical ethics, and the evaluation of social institutions. HU

---

**PSY 202 | Introductory Psychology | 3 cr. | #1278**

**MW 12:45-3:45 p.m. Lecture A134 Reinhardt**

Survey of major content areas in Psychology. Topics include research methodology, learning, memory, cognition, biological psychology, sensation, perception, motivation, emotion, development, personality, psychopathology, and social psychology. Students may not receive credit for both PSY 201 and PSY 202. SS

**SPA 118 | Practical Spoken Spanish | 2 cr. | #1273**

**MW 12:45-2:45 p.m. Lecture HS08 Bucklin**

Emphasis on the spoken language in everyday contexts. Not part of the sequence of required foreign language courses. May be taken more than once for credit if content changes. Prereq: Cons. instr. AP
### 7-Week Session

**June 16-August 1, 2014**

**Tuition Payment Deadline** ......................... June 16
**Add Deadline** ...................................... June 22
**Drop/Withdraw Deadline** .............................. June 20
**Refund Deadline** .................. 100%: June 22; 50%: June 29

Descriptive survey of astronomy for students with minimal background in mathematics and science. Topics include the solar system, stars, nebulae, galaxies, cosmology and astronomical methods. May be offered for 3 credits without laboratory work or for 4 credits with laboratory work consisting of telescopic observation, laboratory demonstration and astronomy exercises. Students may not earn credit for both AST 100 and 105. Prereq: high school algebra and geometry or cons. instr. This is a hybrid course. The course will meet face-to-face and additional online work is also required during the semester NS; if 4 cr also LS

| BIO 285  | Anatomy & Physiology          | 4 cr.   | #1283  |
|          |                               |         | #1284  |

| MW       | 12:30-3:10 p.m. Lab           | W101    | Levine |

(Previously PHS 202) An examination of the structure and function of the human body at the molecular, cellular, tissue, organ, and system levels of organization. The integration of these levels of organization within the human organism is emphasized. This is the first semester of a two-semester sequence. Students with credit in BIO 285 and BIO 286 (old courses: PHS 202 and PHS 203) may not receive Associate degree credit for BIO 281 and BIO 280 (old courses: PHS 235 and ZOO 234). Lecture, lab, and may also include demonstrations, discussion and field trips. BIO 285 and BIO 286 may be taken concurrently. Prereq: BIO 101, BIO 162, or BIO 171 (old courses: BIO 109, BOT 130, or ZOO 101), or cons. instr. NS/LS

| ECO 203  | Economics - Macro             | 3 cr.   | #1267  |

MTWTThF 6-9 p.m.   Lab   W110   Jones

The emphasis of the course is on macro analysis and covers areas such as national income, commercial banking, business fluctuations, monetary and fiscal policies, and economic growth. Designed for students who desire a basic one-year course (with ECO 204) in economics. Prereq: MAT 105 and ENG 101 or cons. instr. recommended. SS

| ENG 101  | College Writing & Critical Reading | 3 cr. | #1274  |

MW 9 a.m.-12 p.m.   Lab   A133   Duckwitz

A composition course focusing on academic writing, the writing process, and critical reading. Emphasis will be on essays that incorporate readings. Prereq: A grade of C or better in a basic writing course (ENG 097, ENG 098, or LEA 106 when taken as a three-credit course) or exemption through a sufficiently high placement assessment.
