Minutes:

Call to Order - Dan

Positions Available - Dan

Dan informed the returning members of SGA that there were two officer positions available for Spring 2015. Dan explained the duties of each position, and what the previous PC, and Treasurer did, while in that position. One was Treasurer, and the other was the Publicity Coordinator. Aaron's name was put forward for Treasurer, and Ricky's was put forward for the PC. Aaron and Ricky won with a unanimous vote.

Soccer Bill - Sara

Sara informed SGA that the soccer team from UW Rock County left a mess behind in one of the bathrooms at another school, after one of their games, that required the janitors to work overtime to clean. She wanted to know if it was OK to green light the soccer department to relocate some of their funds to pay the janitors for their overtime work. The amount needed was $70. Dan motioned to vote for paying the bill. The vote was a unanimous yes to allow the soccer department to relocate some of their funds to pay the bill.

Budget - Jon Fons

Jon introduced the budget sheet that the budget committee worked on over the break to the entire body of SGA for the Spring 2015 semester. Clubs filled out their forms in the Fall, to request money for the Fall 2015/Spring 2016 semesters. The budget committee came up with a system to bring down the over all amount of money requested to match the revenue gained, which is expected to be around $298,000. Even with the cuts to requests, there is still a gap between the amount requested and the revenue that would be gained back, about. Jon also informed SGA that if the clubs didn't spend their money, that they would get for the following school year, that money would go back to the SGA bank account, and would close the gap between the amount of money requested by clubs, and the amount that would be expected to be gained back.
Shirts for Clubs
An idea came up to get T-shirts for the clubs. Buying bulk shirts and then Tie-dying them for each club was the main idea floating around.

State Budget - Dean Wilson
Dean Wilson informed SGA on the State Budget and how it would affect UW Rock County. She informed SGA that they did not want to raise tuition, because with the new state budget, a portion of the 40% income of UW Rock County would no longer come in. She stated that they may have to leave a few jobs open, instead of hiring.

Seg. Fees - Melissa
Melissa informed SGA that the Seg. fees all students pay as a part of their tuition would go up 3% for the next school year, which amounts to about $6 a student.
