Minutes:

Open Mic. - Aaron
Aaron wanted to get the open mic discussion back on the floor, because it had been requested by a few students, as to when we would have open mic. again. He requested to have an open mic, later down the line, at the Janesville Courthouse. We would use the open mic. to show what students are doing on campus, and use it as a chance to become more apart of the community. It was mentioned that Dunkin Donuts does an open mice on Milton Ave every Saturday, and it would be a place to go, for Aaron, to get a few helpful hints, to help us set up our own open mic., at the courthouse. We also planned to have another open mic., on campus, on the 26th of February 2015.

Budget - Jon Fons
Jon brought the budget, for the money that would be given out for clubs, for approval by SGA. Dan motioned to approve. Melissa seconded. John asked why do we get money before we voted, and he was informed that we had expenses to pay as well. Such as Fall Fest, and paying bit of Sara's salary. It was also stated that this was a huge learning experience and it's was a difficult task. The vote was unanimous 7 - 0.

Meeting Times - Melissa
Melissa informed SGA that there were two times, in which we could really meet, that would work out for everyone, this semester. Tuesdays or Mondays at noon. We decided Mondays at noon, for meeting times, for this semester. Jon recommended that we have our meetings in lower room, due to the fact that it was much nicer, and there was more room.

Thank You's - Dan
Dan wanted to thank Jon and Kristen for their hard work.
