Discussion of Kiosks - Jon Fons

Jon came to the floor of SGA to talk about the new kiosks that were installed around the campus of UW-Rock County. He made it clear that they are to be utilized by the students, as well as other people to post important documents, however, each document had to be approved by the Student Services Office of UW-Rock County. Jon also brought the original designs of the kiosks, and wanted to know if the body of SGA wanted the logo on the lower part of the kiosks, that were not placed in. It was motioned by Aaron to vote for paying the invoice and do a logo that had more love in it. It was a unanimous decision to pay the invoice.

Discussion of Open Mic Night

The open mic night was brought to the floor. It needed a couple people to arrange the event. Aaron and John volunteered to be on the committee of the open mic night, and they decided to co lead the committee. We discussed the food situation where we
have to always offer Best Events to cater the event before we could choose another company to cater. We discussed other opportunities to offer food for the event, other than a cater afterwards.

A formal motion was brought to the floor for any donations received from the event to go to the giving tree. It was tabled to be discussed further, next week.

A motion was brought to the floor to vote to change the date of the open mic night from Nov. 20th 2014 to Nov. 19th 2014. It was seconded and passed with a unanimous vote.

A motion was brought to the floor to change the title of open mic night to Rock the Mic. It was seconded and passed with a unanimous vote.

Discussion of the Giving Tree

In the discussion of the giving tree, the body of SGA discussed what Marylee needed, which is fund raising, us to tell people about the giving tree, and we talked of what clubs that the members of SGA were apart of, that we could ask to help with the giving tree.

Discussion of K and W Greenery and designs - Aaron

Aaron made sure that the body of SGA knew that K and W was out of the running for the study garden. We discussed whether the body of SGA should vote on the designs of the study garden instead of letting students choose, biased on the fact that the students know very little of the study garden. The motion was seconded and passed. The design will be chosen at the next meeting.

Discussion of weight room - Aaron

Aaron mentioned that having a suggestion box in the weight room, could benefit what the weight room could still use. The Idea will be discussed with Raphael Ramirez and discussed by the body of SGA at the next meeting.
Discussion of Cable - Aaron
A clarification was made by Jon about the pricing of the cable package for UW- Rock County. The allocation for funds for five TV's with cable was changed to only allocating funds for three TV's

Felt on the pool table
The members of SGA were tasked to look at the pool table in the student lounge to see if it needed to be re-felted.
